Age: 26

Hometown: Nevada City, CA

Interests: Olympic archery, singing, playing musical instruments, coaching and recently have developed an interest in hunting.

Goals: My goals in Archery are to make the United States Archery Team by 2010 and to become one of the first athletes to make both the Olympic and Paralympic Archery teams for the 2012 Olympics.

A little about me: I began shooting when I was 11 years old and competed in traditional longbow for over 13 years before beginning my pursuit of competing in the Olympics. Becoming an Olympic archer has since become one of the major focuses of my life. In order to follow my training plan I relocated from Las Vegas, NV to Southern California and then to Northern California. Along with my own training I have become a Level 1 Archery Instructor and enjoy teaching archery to our local 4H groups in addition to assisting with our hunter's education classes.
