The 2007 California State Outdoor Championships proved itself again as one of the best shooting venues on the west coast. The weather was perfect, the field looked good and the archers were ready to shoot. We welcomed several out of state guest archers and were glad to have them with us. We hope they enjoyed their shooting experience with us and extend the invitation to come back again. Thank you to all the judges for their long hours and dedication to our event. A big thank you to all the volunteers that come out to help setup and tear down and maintain during the shoot. Without you, this event could not take place. We still have a few lost and found items left on the field, so if you think you're missing something, please call to see if we have it. I trust everyone returned home safe and will be rested up for the next tournament. Thank you, again, for coming out to share the day with us.

See you next time!
